Woodlark Hotel

THE NEW NORTHWEST - A HOTEL THAT REPRESENTS THE POTENTIAL OF PORTLAND

Lush, daring, feminine and optimistic, Woodlark is a sophisticated 150-room hotel housed within two historic structures brought together as one. The Woodlark utilizes Portland's surroundings and reinterprets them in a fresh way, balancing sophisticated beauty with rich substance, nuance, and soul.

NBP's in-house brand, Holler Hospitality, hosts the perfect mix of the familiar and the unexpected on

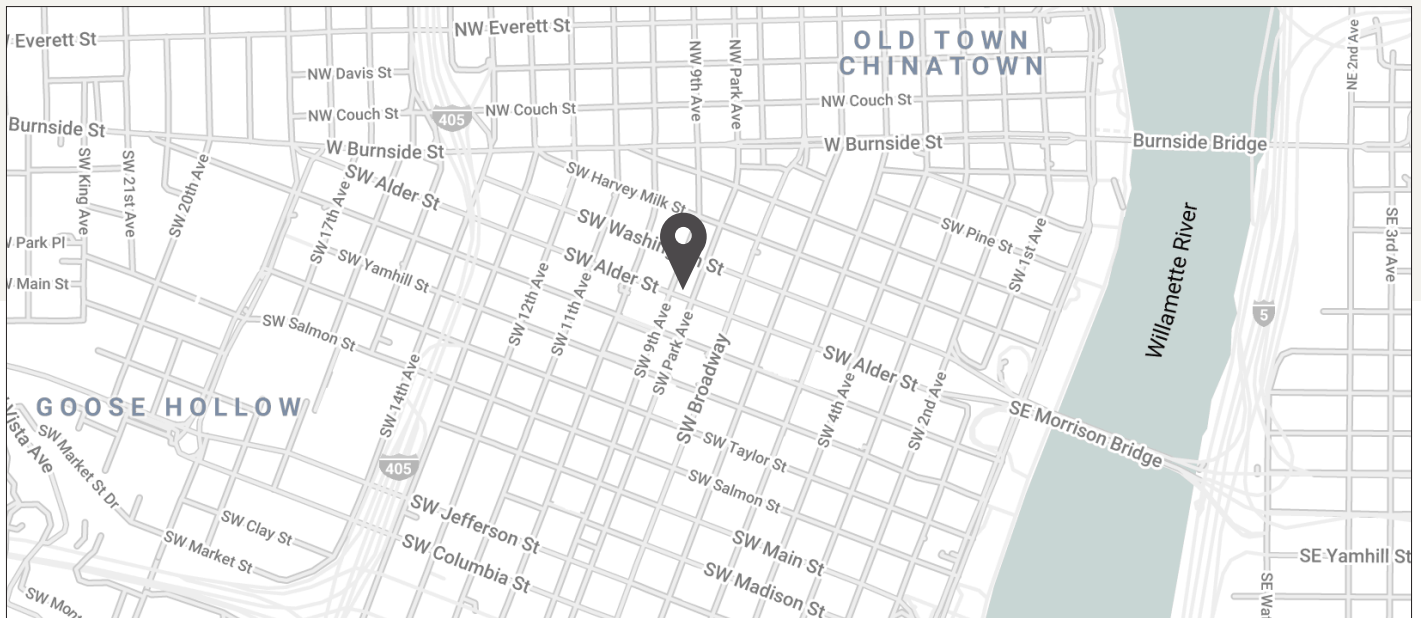

the ground floor of Woodlark; a cozy coffee shop is paired with the savory style of a Texas-meets-Oregon locale led by Top Chef alum Doug Adams. The house cocktail lounge, Abigail Hall, was crafted by Jen Quist, an award-winning restaurateur and the mind behind the famous Multnomah Whiskey Library. Originally a ladies' reception hall in the historic Cornelius Hotel, Abigail Hall pays homage to that aesthetic with greens, pinks and original architectural elements.

LOCATION HIGHLIGHTS

Our fair city of Portland is growing and evolving and we're located in the heart of it. Residing in the center of Portland's vibrant downtown, we're surrounded by a brimming arts community, acclaimed restaurants, buzzed about bars and a sprawling collection of curated retailers elevating Portland's sense of style and craft. Just beyond the city limits, wine country calls from the Willamette Valley; trails wind through Forest Park in the West hills; and the Oregon coast looks vastly out upon the Pacific. Here at Woodlark, you'll find an unexpected taste of the Northwest – one that is sophisticated, all-together welcoming and beautifully bold.
